

# - 3 DAY ITINERARY - Canberra

- FAMILY FUN -

ONE *Good Thing* AFTER ANOTHER

National Museum of Australia

National Zoo & Aquarium

## DAY 1

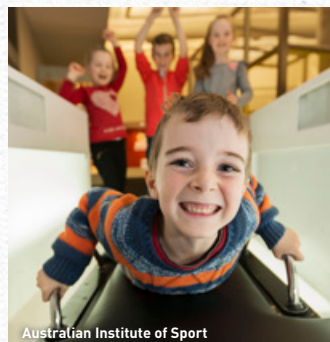

- Arrive Canberra
- Pick up your hire car and head to straight to **Cockington Green Gardens** at Gold Creek, to discover tiny versions of famous buildings from around the world and ride the ever popular mini steam train
- Whilst in Gold Creek, walk across to touch a genuine 150 million year old dinosaur bone and a 150kg meteorite, or other hands-on experiences at the **National Dinosaur Museum**
- Discover where Australia's sporting champions are created and try your hand at wheelchair basketball, virtual downhill skiing, rock climbing, and football penalty shootouts at the **Australian Institute of Sport**
- Overnight: Canberra

## DAY 2

- Explore over 200 interactive exhibits at **Questacon — The National Science and Technology Centre**, including a free fall down a six metre slide and challenge a robot to a game of air hockey.
- View fascinating historical coins, see robots make tomorrow's coins and strike a coin yourself at the **Royal Australian Mint**
- Get up close and personal with some of the world's most amazing animals at the **National Zoo & Aquarium**. Meet a cheetah, hand feed a giraffe or simply explore the Zoo's grounds at this unique site in the heart of Canberra
- Overnight: Canberra

## DAY 3

- Build your own time-travelling robot and blast off to explore a mystery location in Australia's past, at K Space as the **National Museum of Australia** (for ages five to 12). While at the Museum, take a guided tour to explore the rich and diverse stories of Australia and its people
- Get back to nature at **Tidbinbilla Nature Reserve** which offers outstanding natural wildlife experiences. Try your hand at spotting kangaroos, koalas, and the elusive platypus in their natural environment
- Whilst at Tidbinbilla, visit the **Canberra Deep Space Communication Complex** to take in magnificent views of the largest antenna complex in the southern hemisphere, see a piece of the Moon that's over 3.8 billion years old, and check out the latest images from across the Solar System and beyond
- Depart Canberra

Australian Institute of Sport

Cockington Green Gardens

Questacon - The National Science and Technology Centre

## 3infun

A 3infun ticket lets you to visit the **Australian Institute of Sport, Cockington Green Gardens and Questacon — The National Science and Technology Centre** and gives you 3 times the excitement, 3 times the action and 3 times the fun.
