

AUSTRALIAN NATIONAL
BOTANIC GARDENS

Bushland Nature Walk

Alive with diversity

Join the Ranger and meander through open forest to learn about the biodiversity of Black Mountain. Keep an eye out for our beautiful parrots or spot a native orchid on the way.

Enjoy expansive views across the Canberra city and Parliament House from the viewing platform.

This guided walk takes approximately 1 hour and is a moderate grade (some steps).

Discover Australia's native plants and animals only minutes from the city!
