1. ABOUT VISITCANBERRA

VisitCanberra is part of the Chief Minister, Treasury and Economic Development Directorate (CMTEDD) within the ACT Government.

VisitCanberra leads the Canberra region tourism industry by creating and implementing a range of marketing, development and partnership programs that aim to significantly increase the economic return from domestic and international visitation to the ACT.

2. ABOUT THESE FUNDING GUIDELINES

These funding guidelines provide details for eligible event organisers wishing to apply for assistance under the Major Event Fund.

The Major Event Fund is an ACT Government funding program administered by VisitCanberra.

All terms and conditions contained in previous funding guidelines for the Major Event Fund are superseded by this document.

3. ABOUT THE MAJOR EVENT FUND

The ACT Government is committed to growing and nurturing Canberra's visitor economy, along with developing and supporting a diverse events calendar that reflects the essence and character of the Canberra region.

The Major Event Fund supports this commitment by delivering a mechanism for investing in, supporting and leveraging major events in Canberra.

The Major Event Fund has been established to support major event opportunities that can:

- drive **substantial economic impact** for Canberra through event-based tourist **visitation and visitor spend**, and by filling identified gaps in Canberra's annual events calendar.
- provide opportunities for **marketing and promotion** of the Canberra region to key domestic and (when applicable) international audiences.
- provide **high quality, enticing event experiences** which support and enhance the Canberra brand, generate city vibrancy and profile Canberra as a leading tourism and events destination.
- **reflect, engage and involve** Canberra's diverse communities.

4. STRATEGIC ALIGNMENT

The ongoing impacts of the COVID-19 pandemic have had a significant effect on the ACT's visitor economy and on the tourism and events sectors. As we now look further ahead, tourism and major events activity will be a critical enabler of the ACT's broader economic recovery and growth.

Major Event Fund applicants should seek to demonstrate how their event and associated marketing activity will support the ACT Government in growing the visitor economy and achieving its broader economic development objectives.

Tourism

The ACT Government (through VisitCanberra) is leading the development of the next long-term tourism strategy for the Canberra region that looks ahead to 2030. The recently released [2030 Tourism Strategy Discussion Paper](#) is a first step designed to stimulate conversation about the future of our tourism industry, with a final 2030 tourism strategy for the ACT to be developed by the end of the 2022 calendar year.

VisitCanberra's current [Destination Marketing Strategy](#) provides a framework that informs and supports VisitCanberra's tourism marketing approach for 2022-23, along with an overview of key target audiences.

[CBR Switched On](#) is a mission-led strategy that outlines the ACT Government's economic development priorities for the period 2022 to 2025. A key mission outlined in this document is prioritising knowledge-based economic growth that positions Canberra as a global destination.

Events

Attracting new major events and enhancing existing events that contribute to the ACT's economy and social fabric underpins the [2025 Major Events Strategy for the ACT](#).

5. CLASSIFICATION OF A MAJOR EVENT

The term 'major event' is a classification given to events that generate **significant and immediate economic, social and cultural benefits to a destination**. These events have a national profile outside of their immediate region and attract large numbers of interstate and/or international spectators and/or participants.

Examples include:

- [Regular Anchor Events](#) — these are recurring events that generate significant return on investment and overnight visitation outcomes. These events are automatically associated with the destination.
- [One-off Major Events](#) — these are one-off feature events that generate significant media coverage and raise destination awareness. These events drive strong overnight visitation outcomes but may not be automatically linked or directly associated with the destination.

6. FUNDING AVAILABLE

The minimum amount of funding per Major Event Fund application that may be applied for is \$50,000, with a maximum funding request of \$500,000.

It is important to note that the cooperative nature of the Major Event Fund **requires supplementary financial investment from event partners** to fund the necessary acquisition, creation, development and operational delivery of proposed events.

Funding support through the Major Event Fund will not be provided to underwrite events.

Applications to the Major Event Fund should ideally be submitted 6 months prior to the commencement of the event. This provides sufficient time for the application assessment phase to be completed, and in the case of successful applications, time to develop a funding agreement and ensure the most effective use of the funding support being provided.

7. FUNDING ELIGIBILITY

Visit Canberra **will not** provide funding for the following:

- Conferences.
- Events and activities that have limited capacity to meet relevant evaluation criteria.
- Applications from individual persons.

- Events that are proposed to be predominantly staged outside of Canberra.

Applications will be **comprehensively assessed on merit against the Major Event Fund evaluation criteria** via a process conducted by VisitCanberra and Events ACT, with a recommendation then made to the Minister for Tourism.

Final decisions on funding are made at a ministerial level.

Applications require robust data and supporting information to assist the assessment process. **Please assume the assessment team holds no prior knowledge of your organisation, event, or previous event delivery experience.**

Successful applicants will be notified in writing by VisitCanberra, followed by the issue of a Deed of Grant that will outline the benefits, deliverables, milestones, KPIs and payment schedule associated with the allocation of funding.

Unsuccessful applicants will be notified by VisitCanberra in writing and will be provided with the opportunity for a formal debrief on their application.

11. DEED OF GRANT

Successful applicants will be required to enter a legally binding Deed of Grant with the ACT Government. This agreement will set out:
